Dear Bay View Association Members,

We the undersigned members of the Bay View Clergy urge you to vote YES on the proposed By-Law Amendment on August 3, 2013.

We believe this amendment is in accord with our Christian heritage and the United Methodist heritage of "Open Hearts, Open Minds, Open Doors". We believe that acceptance and welcome should be offered to all who wish to join us in Bay View on a spiritual journey of discovery and greater faith. This inclusive amendment respects our heritage of Christian values and insures a continuation of the vital Bay View community that we all love and respect.

We urge your prayerful support!

In Christian love and hope,

Rev. Douglas R. Trebilcock.
